The Chairman, Mr. A. T. Harrington, explained the objects for which the league was organized, and stated that all persons could paying twenty-five cents monthly. He likewise mentioned that it was their intention, on a future occasion, to have a mass meeting out of doors, and that a part of their plan of operations would be, to go from house to house to collect subscriptions. The speaker then adverted to the crime of drunkenness, and mertioned two anecdotes of its hurtful effects, one related to Georgetown, where, on account of the prevalency of the vice, a gentleman who had intended to settle there with his family, was induced to forego the intention, from fear of the

The Hon. Gerret Smith was then introduced the meeting, and spoke upon the subject. He commenced his discourse by descanting on the vicious habit of opium eating, and of the use of tobacco, which latter he characterized as an unclean and wicked practice; wicked. because it was wasteful and unclean. It had been well observed by the celebrated John Wesley that cleanliness is akin to godliness. The cost of the eigars alone smoked in New York city exceeds the cost of bread within that

He then spoke of the perverted use of alcohel in making it a beverage. What plummet, he observed, could sound the depth of the intemperance.

the effects of drunkenness, describing minutely the character and actions of the drunkard The loss of property in America by this vice was very great. He then adverted to the subject of the Pacific Railroad, and observed that the savings caused by total abstinence from drinks, would furnish the means for building a Pacific Railroad on the North, another on the South, and a central route.

the favor of heaven.

He then spoke highly in commendation of the temperance reformation, remarking what a change had come over the civilized world in
